## Valuing Customers' Needs and Supplying One-Stop Service

by Sandra Chen, Fastener World

Binhai plant

## Customers Come First

Weng also stressed, "We highly value customer service. To meet their need for high quality products, our company offers all-in-one service covering all fasteners production from cold forging, CNC, stamping to electroplating, etc. Moreover, we introduced excellent equipment into the plant from Japan, Switzerland, the United States and Taiwan to carry out the most perfect quality control for customers' products"

For better and prompt customer service, Wenzhou Youwei has 10 domestic branches located in: Qingdao, Huangdao, Dalian, Chongqing, Zhengzhou, Wuhan, Shunde, Wuxi, Hefei and Guizhou.

## A Wide Range of Products

The company offers an extensive range of fasteners used in different industries. It manufactures fasteners with the size from M1-M36. To supply internationally, the company has numerous production standards such as international GB and ISO, standard Q, German DIN, American ASTM, Japanese JIS, British BS, and non-standard fasteners. All-in-one service includes every stage of the process from the beginning material drawing, spheroidizing, electroplating to packaging and shipping.

## Careful Quality Control

Wenzhou Youwei is strongly focused on maintaining the high quality of its products. With a good understanding of customer's requirements, use of internationally certified testing equipment and the great dedication of its skilled employees, Wenzhou Youwei oversees each solid and functional high quality fastener from production right up until the end product. The company's motto "Youwei is your trustworthy fasteners expert and

we promise to do our best," represents its 20 years of long-standing great spirit. ■
