Fastener Shanghai – Shanghai Fastener & Tech Show 2018 will take place at Shanghai New International Expo Center, China. Concurrently with Asia's largest and most international trade fair for wire and tube industries – wire & Tube China, Fastener Shanghai – Shanghai Fastener & Tech Show 2018 is designed to open up upstream and downstream channels to create a one-stop sourcing platform for fastener products, manufacturing equipment and raw materials.

Products to be showcased at this high-quality platform will mainly focus on the following categories: standard and non-standard fasteners, fasteners in various industries, manufacturing skills of fasteners, supporting facilities of fasteners.

In addition, Fastener Shanghai – Shanghai Fastener & Tech Show 2018 will also present special regional pavilions, such as Pinghu, Jiashan, etc. demonstrating their local industrial advantages.

The biennial Fastener Shanghai – Shanghai Fastener & Tech Show is set to be one of the most important gatherings in the fastener industry. It is estimated that 3 events (including Fastener Shanghai – Shanghai Fastener & Tech Show 2018, wire China 2018, Tube China 2018) will attract 46,000 professional visitors from 95 countries and regions. Whether you're here to source, find partners, or familiarize yourself with the Chinese fastener market; your expectations will surely be met at Fastener Shanghai – Shanghai Fastener & Tech Show 2018.

10/10-12, 2018 China International Hardware Show

China International Hardware Show organized by CNHA and Koelnmesse has reached over 150,000 square metres of exhibition space for the past three years and has without a doubt become the second largest professional hardware trade show in the world. CIHS 2018 keeps its original intention of technique-oriented and market-driven concept while balancing the development of both international and local markets to establish the comprehensive platform for networking, communication and trade." Madam Shi Senglan, President of China National Hardware Association commented positively, "to unconditionally support the national China International Import Expo (CIIE), the exhibition date of CIHS 2018 will be adjusted to 10-12 October this year, which still falls within the best purchasing cycle.

According to the organizers, "We will further strengthen the fair with more value-added services and continue to make it more user-friendly. At the same time, we will enhance the event promotion and provide high quality service to fulfill the demands of the whole industrial supply chain. Together with our partners we will join hands to consolidate and promote the integration, development and innovation of CIHS to continue being "the vein and barometer of the industry."

The coming edition of CIHS will once again be the prime trade platform with high-quality service for exhibitors, visitors and the media, and set new benchmarks for the industry.
