Founded in 1968, Gwo Lian has been supplying equipment and maintenance service for many years to wire drawing and fastener companies in Gangshan area, a.k.a the fastener kingdom of Taiwan. It has become an indispensable part of the fastener and wire industries. It not only services the Taiwanese market but also sells to up to 40 countries across the world. This anniversary event invited 300 dignitaries of the industry, including TIFI, TFTA, and fastener associations from S. Korea, Iran, Turkey, as well as Taiwanese merchant associations based in Haiyan, Ningbo, and Shanghai. These associations have been supportive partners with Gwo Lian for so many years. For the next 50 years, president Mr. Chi-Hung Chen has hopes for Gwo Lian to top Asia and compete with the world and implement the guiding principle of innovation, succession and sustainability. ■
