Company Profile

Hao Mou Nuts Mfg. Co., Ltd. was established in 1983, located in Kaohsiung, Taiwan. We started with the production line less than 7 cold forming machines. Over period of time, we now have 17 cold forming machines and become an ISO 9001 and IATF 16949 certified manufacturer and exporter in producing Round Series products : round weld nuts, clinch nuts, rivet nuts and special nuts to drawing.

With over 30 years of experience in the fastener industry, Hao Mou keeps on holding core values: continue to improve our technology, quality, service, and delivery to satisfy our customers.

For the increasing market in China, we invested our first branch "**Hao Mou Nuts Industry Co., Ltd.**" in Guangdong China in 2003 to go into the great potential market.
