

# Fastener World Exhibitions Calendar (Aug. 2014 - Mar. 2015)

## Taiwanese Exhibition Agency: Fastener World Inc.

### 2014

#### Korea Metal Week

Dates : Sep. 16-19

Venue: KINTEX

"Korea Metal Week 2014" is comprised of 7 specialized parts, which are '15th Fastener & Wire Korea', '10th Die Casting & Foundry Korea', '8th Automobile & Machine Parts Korea', '14th Press & Forging Korea', '15th Tube & Pipe Korea', '2nd Metal Surface Treatment & Painting Korea' and '1st 3D Printing Technology Show'. "Korea Metal Week 2014" is expecting 350 exhibitors and 30,000 professional visitors which represent a 25% increase from the previous show in 2013. It will be the biggest industrial fair in South Korea providing substantial opportunities not only for the domestic Korean industrial component companies but also for worldwide companies. The fair ensures your success by many chances to meet buyers around the world as well as to exchange the information of technology in your field.

#### China International Hardware Show (CIHS)

Dates: Sep. 18-20

Venue: Shanghai New International Expo Centre (SNIEC)

The event is expected to occupy 120,000 m<sup>2</sup> featuring over 2,500

exhibitors and pulling in 38,000 visitors. Currently, over 2,500 renowned domestic enterprises in China have signed up to exhibit. Among them, top China manufacturers such as MAXPOWER, GREAT WALL, GreatStar Industrial, LAND and Sunflex will once again be at the event. More than 120 foreign exhibitors from over ten countries, including Germany, Italy, the US, Japan, Korea, India and Taiwan will converge at the event to tap into the massive China market. Germany's Rhodius and Plastmeccanica from Italy are some of the international heavyweights set to showcase their products at the event. Joining them will be group pavilions fronted by the Association of German Tool Manufacturers (FWI) and the Taiwan Hand Tool Manufacturers' Association.

#### M-Tech Osaka

Dates: Sep. 24-26

Venue: Intex Osaka

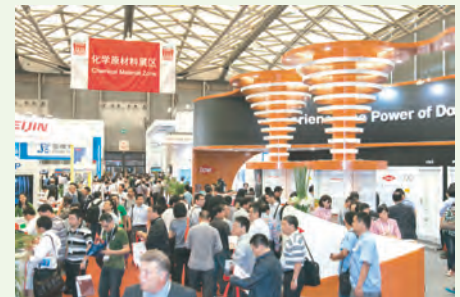

"Manufacturing World Osaka 2014" is Western Japan's largest trade show for manufacturing industry. The number of exhibitors in 2014 is expected to reach 980 from all around the world. This figure is the largest ever in history and is a 21% increase from last year. The number of visitors is expected to be 43,000 and they will pack the show floor during the 3-day show period. M-Tech Osaka is Western Japan's largest exhibition gathering all kinds of mechanical parts such as bearings, fasteners, mechanical springs and metal and

plastic processing technology. M-Tech Osaka attracts a significant number of professionals from design, development, manufacturing, production engineering, procurement and quality control departments, who are looking to buy solutions for their businesses.

#### Wire China

Dates: Sep. 24-27

Venue: Shanghai New International Expo Centre (SNIEC)

The previous edition of the show attracted 903 exhibiting companies from 28 nations, and 33,469 visitors from 85 nations, among whom 3,902 people were foreign visitors accounting for 11.66% of total visitor count. The 2014 edition of Wire China will span 57,500 m<sup>2</sup>, up 3 folds in scale. So far 240 local and foreign companies have confirmed to exhibit, including Axalta, Dow Chemical, DSR, Metal Link, Huntsman, Pan-Pioneer (Taiwan), Teijin, Shanghai Kingstone Cable, Deyang Jiechuan, Baicheng Fujia, and Shenyang Tianrong. Furthermore, the organizer will invite more visiting buyers and organizations from Korea, Malaysia, Japan, Taiwan, Vietnam, Indonesia, Nepal, Thailand, and India to participate. During the past decade, Wire China has become the largest and most internationalized wire and cable show in Asia.

#### TEZ Expo

Dates: Oct. 14-16

Venue: Expo Silesia Exhibition Center

The exhibitors will present ready solutions associated with fasteners and

tools used for assembling them. The visitors will have the chance to see the machinery dedicated to this sector, and the producers of raw materials,

protective systems and anti-corrosion coatings will present their product range. Fair visitors of TEZ Expo are companies from almost all industry sectors, with particular emphasis on such areas as automotive, construction, mechanical and electrical engineering, extractive industry, furniture, energy, shipbuilding and road industry. The Fair will be accompanied by additional seminars and conferences devoted to the sector of fasteners.

## National Industrial Fastener & Mill Supply Expo

Dates: Oct. 22-24

Venue: Sands Expo & Convention Center

Fastener World Inc. at: Booth 536

The show has sold 754 booths to 571 companies from throughout the USA and 15 foreign countries around the world including Belgium, Brazil, Canada, China, Germany, India, Italy, Mexico, Netherlands, Poland, Singapore, Spain, Taiwan, Turkey, and the United Kingdom. Many of the companies are new to the Expo or returning after a several year absence. The Machinery & Tooling World area of the Expo has grown by 2,000 sq. ft. over last year and we are

adding many mill supply products to the show. We are expecting a complete sell-out of all available space in the 800-plus booth Expo this year. The Expo features fasteners, fastener production machinery & tooling, inspection/testing/packaging machinery, hand tools, specialty tools, wire, software systems, and many other products.

## Fastener Fair Brasil

Dates: Nov. 11-13 Venue: Expo Centre Norte Fastener World Inc. at: Booth A40

The previous Fastener Fair Brasil held in November 2012 proved itself to be a high-quality event, welcoming 2,500 professional trade visitors from 25 countries worldwide. A total of 141 exhibitors from 17 countries showcased a comprehensive range of industrial fasteners, fastener supply, construction fixings, assembly and installation systems as well as manufacturing technology. 96% of visitors were from South America; 63% of all visitors had decision-making power. The 2014 edition will now be one day longer than the previous shows, offering additional networking and trading opportunities. The Business Roundtable hosted by The Chamber of Commerce and Industry of Mercosul and Americas will once again be taking place and on all three exhibition days due to remarkably high participation at the previous shows.

### Taiwanese Companies Led by Fastener World Inc.

Exhibitor	Booth No.	Main Product
Feng Yi	B40	Titanium Screws, Titanium Nuts, Titanium Bolts, Titanium Fasteners, CHQ Steel Wires, Stainless Wires
U-Chance	B42	Magnesium Alloy Fasteners, Aluminum Alloy Fasteners, Titanium Alloy Fasteners, Custom-made Fasteners
Yi Chun	G33	Socket Set Screws, Stamping Parts, Cage Nuts, Special Parts
Shanghai Wisechain	A30	Both IFI & Metric Nuts, Bolts, Washers, Sheet Metal Screws, Machine Screws, Threaded Rods, Chipboard & Drywall Screws, Stainless And Brass Fasteners, Non-Standard Machining Parts & Stamping Parts
Lianyungang Xingyi	A64	DIN 558/601-1983, DIN 931/933-1983, DIN 912-1983, ANSI/ASNEB18.3-1998, ISO 4018, 4016-1992, ISO 4014, 4017-1992, ISO 4762-1997, JIS 1176, JIS 1180
Wan Cheng	A34	Surface Treatment Equipment, Rolling Type Surface Treatment Equipment, Carrier Type Surface Treatment Equipment, Chucking Type Color Washing/Drying Equipment, Hydraulic Rotary Arm Type Surface Treatment Equipment
Filrox	A32	Blind Rivets, Rivet Nuts, Binding Post Screws, Semi-Tubular Rivets
Fasten Four	G35	Fasten Mold/Equipment, Tools & Production Line Equipment, Fasteners (Screw, Bolt & Nut), Bearing Design & Manufacturing
Zonbix Enterprise	A62	T Bolts, Double Ends Screws, Self-Drilling Screws, Screw Plugs, Pipe Nuts, Rivet Nuts
Action Tools	A43	Impact Sockets, Hand Sockets, Chisels, Tool Holders

## Fastener Fair Turkey

Dates: Nov. 20-21 Venue: IFM – Istanbul Expo Centre **Fastener World Inc. at: Booth 639**

Of the 135 exhibiting companies at Fastener Fair Turkey 2013, major exhibitor countries from outside Turkey are Germany, Italy, France, Taiwan, China and the USA, and 60% are returning for the fast-approaching second edition in November this year. 73% of stand space for the exhibition has already been booked, indicating the popularity of the launch event and high demand for a second edition. Fastener Fair Turkey showcases a comprehensive range of industrial fasteners, construction fixings, assembly and installation systems as well as manufacturing technology. After the 2014 event, Fastener Fair Turkey will adopt a two-year cycle.

### Taiwanese Companies Led by Fastener World Inc.

Exhibitor	Booth No.	Main Product
Frontal International	371	Interchangeable Tools for Pressing/ Cold Forging
Alex Screw Industrial	633	Self Tapping Screws, Self Drilling Screws, Machine Screws, Particle Board Screws, Drywall Screws, Thread-Forming Screws, Stainless Steel Screws
Home Soon Enterprise	631	Screw Driver Bits, Bit Holders, Nut Setters, Sockets, Socket Bits, Hex Keys, Drill Bits, Hand Tools
Dahbin Enterprise	472	Punches For Nuts & Screws, Cold And Hot Forging Tools, Carbide Dies, Ratchets, Feed Rollers, Sleeves, Holder, Inserts And Die Sets
Chii Chyuan Heat Treatment Industrial	474	Heat Treatment Furnace, Wire Annealing Furnace, SUS Annealing Equipment
Unipack Equipment	473	Auto Packaging Machine
Chien Sen Works	369	12-Point Punches, Hexagon Punches, Round Pin Punches, Six-Lobe Punches, Special Punches
Chao Jing Precise Machines Enterprise	572	Bolt Formers, Heading Machines, Parts Forming Machines, Cold Headers, Thread Rolling Machines
Wan Iuan Enterprise	635	Fastener Forming Tools, Punches, Dies.
Changing Sun Metal	471	Stainless Steel Rivet Nuts, Aluminum Rivet Nuts, Steel Rivet Nuts, Brass Rivet Nuts
Lian Teng Machinery Industry	570	Heading machines of various sizes and designs including YH series, ZH series, and Round Cutter series
KCS Enterprise	475	Bonded Washers, M-Type Washers, Umbrella Washers, Cutting Washers (Rubber Washers), Rubber Gaskets, Saddle Washers, Rubber Nut-Inserts, Stainless Steel Nuts
Yi Chun Enterprise	637	Socket Set Screws, Stamping Parts, Cage Nuts, Special Parts.
Chien Tsai Machinery Enterprise	630	Automatic Thread Rolling Machines

## Fastener Expo Guangzhou

Dates: Nov. 24-26

Venue: Poly World Trade Expo Center

Fastener Expo Guangzhou 2014 will be organized by the same Shanghai Expo team. The show is supported by 11 domestic fastener associations, and 8 overseas fastener associations from Korea, Brazil, India, US (Fastener Technology), etc. The 2014 edition will have 350 exhibitors across 550 standard booths, and a total exhibiting area of 11,300 m<sup>2</sup>. As for visitor count, number of overseas buyers will reach 800, and number of domestic professionals will reach 12,000.

## 2015

### Fastener Fair Stuttgart

Dates: Mar. 10-12

Venue: Messe Stuttgart

A year before the show start date, the majority of exhibition space has already been booked; 70% of available stand space has now been allocated. Due to high demand, exhibition organizers have expanded stand space for Fastener Fair Stuttgart 2015 by adding the new hall C2. Consequently, Fastener Fair Stuttgart 2015 promises to be even bigger than the previous exhibition. A total of 811 exhibitors from 36 countries presented their products and solutions to 10,600 trade visitors from 90 countries. Fastener Fair Stuttgart covers all aspects of the fastener and fixing industry and is primarily aimed at retailers and manufacturers. The target audience consists mainly of wholesalers, dealers, suppliers and manufacturers.
