Fastener Fair Brasil

Dates: Nov. 11-13 Venue: Expo Centre Norte

Fastener World Inc. at: Booth A40

The previous Fastener Fair Brasil held in November 2012 proved itself to be a high-quality event, welcoming 2,500 professional trade visitors from 25 countries worldwide. A total of 141 exhibitors from 17 countries showcased a comprehensive range of industrial fasteners, fastener supply, construction fixings, assembly and installation systems as well as manufacturing technology. 96% of visitors were from South America; 63% of all visitors had decision-making power. The 2014 edition will now be one day longer than the previous shows, offering additional networking and trading opportunities. The Business Roundtable hosted by The Chamber of Commerce and Industry of Mercosul and Americas will once again be taking place and on all three exhibition days due to remarkably high participation at the previous shows.

2015

Fastener Fair Stuttgart

Dates: Mar. 10-12

Venue: Messe Stuttgart

A few months before the show start date, the majority of exhibition space has already been booked; 70% of available stand space has now been allocated. Due to high demand, exhibition organizers have expanded stand space for Fastener Fair Stuttgart 2015 by adding the new hall C2. Consequently, Fastener Fair Stuttgart 2015 promises to be even bigger than the previous exhibition. A total of 811 exhibitors from 36 countries presented their products and solutions to 10,600 trade visitors from 90 countries in 2013. Fastener Fair Stuttgart covers all aspects of the fastener and fixing industry and is primarily aimed at retailers and manufacturers. The target audience consists mainly of wholesalers, dealers, suppliers and manufacturers.

Fastener Fair Russia

Dates: Mar. 24-26 Venue: ExpoForum

Alongside its traditional shipbuilding prowess, the St. Petersburg area is now acknowledged as a major centre for automotive production. Ford, General Motors, Hyundai, Nissan and Toyota are among global companies that have established vehicle manufacturing plants there, and output of new cars is scheduled to reach over 1 million annually by 2018. As a consequence, demand for fasteners and fixings is set to grow significantly. This will be the country's third Fastener Fair show.

Managers, engineers and buyers from 205 cities and 25 countries visited the most recent event, held in Moscow in May this year. That attracted 121 leading companies from 19 countries.
