

# Fastener World's Exhibition Calendar in H1 2017

## 01/16-19 Fasteners World Middle East

The successful launch of Fasteners World Middle East as a full-fledged vertical in 2016 has set the stage for its second edition. Held alongside SteelFab, the Middle East's premier trade fair for the metal working, metal manufacturing and steel fabrication industry, the 1st Fasteners World Middle East capitalised on the great head start to present a comprehensive sourcing point.

It provided an excellent opportunity for suppliers and manufacturers of raw materials, fasteners & fixings, assembly & installation systems, fastener manufacturing technology and construction fixings to directly tap into regional players looking for latest cutting-edge fastener & fixing technologies. Fasteners World Middle East will provide a meeting place for the regional fasteners & fixing industry, and the right point to connect and make contacts with distributors, suppliers, engineers and other industry professionals who source and trade with fasteners & fixings.

## 03/28-30 Fastener Fair Stuttgart

visit **FASTENER** at 2661

As the world's leading exhibition for the fastener and fixing industry, Fastener Fair Stuttgart offers exhibitors an international platform for the presentation of the latest products and developments from all areas of fastener and fixing technology. The exhibition covers the complete spectrum of fastener and fixing technology: industrial fasteners and fixings, construction fixings, assembly and installation systems and fastener manufacturing technology.

The previous Fastener Fair Stuttgart was once again a huge success. With 832 exhibitors from 42 countries and 11,060 visitors from 86 countries on a net exhibition space of 18,500 square metres, the event was the biggest ever. The Top 10 visitor countries were Germany, Italy, the United Kingdom, France, Taiwan, Poland, Spain, the Netherlands, Turkey and the Czech Republic.

## 03/29-04/01 Inafastener

The resounding success of INAFASTENER 2016 along with INAPA 2016 and IIBT 2016 attracted 1,002 exhibiting companies from 19 countries, and 25,920 trade visitors from 28 countries, which has further proved as the ASEAN's Largest Trade Show for Automotive Parts, Accessories and Fasteners.

INAFASTENER 2017 covers a wide product range of industrial fasteners and fixings, assembly and installation systems, storage and logistic services. Both buyers and sellers can take this opportunity to network, learn and source new technology, to grow together with the industry and to reach new heights in business status. INAFASTENER has become Indonesia's most prospective marketplace for fastener suppliers to boost sales and gain exposure as well as meeting with key decision makers and potential buyers from automotive, transportation, construction, maritime, manufacturing, distributors & wholesalers.

## 04/28-29 Fastener Fair India

visit **FASTENER** at B28

Fastener Fair India 2017, Mumbai, India's premier exhibition for fastener and fixing technology, opens its doors in just under 6 months. The exhibition takes place in Mumbai for the fourth time from 28-29 April 2017, at the Bombay Exhibition Centre. Along with many prominent Indian companies, the show will have an international feel, welcoming exhibitors from Germany, Italy, China and Taiwan. The last edition in Mumbai held in April 2015 was a resounding success: 4,181 visitors attended the exhibition.

If you are looking to meet high profile decision makers and to promote your company in this major growth market, Fastener Fair India, Mumbai is the "must-attend" event in 2017 for everyone involved in the fastener and fixing industry.

## 05/03-05 Design Build Expo visit **FASTENER** at L14

Over the past few years, DesignBUILD has firmly established itself as an industry nexus, leveraging partnerships with peak industry bodies and new industry alliances to deliver an event that is a true reflection of what industry collaboration can do. For the first time, DesignBUILD will co-locate with long-term partner, the Australian Institute of Architecture's National Conference, creating an architectural hub at the new International Convention Centre (ICC), Sydney.

2017 will also include the expansion of the Incubator program, which after a successful launch in 2016, will see product innovators vie for complimentary space on the show floor for the chance to be crowned most innovative product by a panel of industry experts. The 2017 event is already set to be 20% larger than previous year and 40% larger than the award winning 2015 event held in Sydney.

## 05/17-20 Subcon Thailand

The 10th successful edition resulted in outstanding success and no other show can match the international event's coverage and success. It is the only exhibition organized by the Thailand Board of Investment and UBM Asia (Thailand). The total number of trade visitors for the four day event was 23,091. More than 300 first-class part-makers from 9 countries were featured at the 2016 exhibition. They included major National Pavilions from Japan, plus the TAITRA Pavilion, Fastener Pavilion, Mold and Die Pavilion by Thai-German Institute along with ASEAN Supporting Pavilions from Singapore, Malaysia, Philippines, Vietnam and Myanmar.

The number of business meetings generated by the Business Matchmaking program jumped from 4,611 to 5,216 pairs for 2016. The final tally for business transactions exceeded 8.6 billion Baht, with more expected in follow-up deals. Subcon Thailand 2017 will be held from Wednesday 17th – Saturday 20th May, 2017 at BITEC, Bangna, Bangkok, Thailand.

## 06/20-21 Fastener Fair Mexico visit **FASTENER** at 114

Fastener Fair Mexico will bring together international manufacturers of fastener and fixing technologies and suppliers of machines and tools with distributors, suppliers, engineers and other industry experts from Mexico and Latin America. Mexico is the second largest economy in Latin America and is facing increased demand for fastening and fixing solutions for the aerospace, automotive, construction and electronic and other fast growing industries:

Almost 2,000 qualified buyers from 20 countries, including Argentina, Brazil, Canada, Chile, Guatemala, Peru, Spain, Taiwan and United States, attended Fastener Fair Mexico 2016. Buyers came from all over Mexico. For the 2017 edition, over 2,000 fastener decision-makers from Mexico and other countries are expected to attend, including fastener or fixings distributors/suppliers, manufacturers, and end users, all from key industry sectors such as automotive, distribution, construction, electrical products and domestic appliances.

## 06/22-24 Fastener Expo Shanghai visit **FASTENER** at B-2007

Fastener Expo Shanghai 2017 is Asia's largest and the most influential fastener show and its exhibits include standard and non-standard parts, industrial fasteners, fastener manufacturing technology & facilities, molds/dies/consumables for fasteners, raw materials, related products and technology, etc. With the increased demand for new products from downstream industries, it is expected that the show scale next year will reach another peak, with the floorplan reaching 50,000 sqm and over 800 exhibitors.

In 2016 the show attracted 25,625 visitors from USA, Australia, South Africa, Brazil, Mexico, Russia, Italy, Germany, France, the Netherlands, UK, Spain, India, Korea, Japan, Iran, Malaysia, Singapore, UAE, Indonesia, Vietnam, Philippines, Pakistan, Saudi Arabia, Thailand, Cambodia, Taiwan, and Hong Kong. The floorplan spanned the area of 42,000 sqm. In 2017, the show organizer will also open the 3rd hall and add "Building Hardware & Construction Fasteners Area."
