Fastener Shanghai (Sep. 26-29, 2018)

Fastener World Inc. Booth No. (to be announced soon!)
www.fastener-world.com.tw

Fastener Shanghai – Shanghai Fastener & Tech Show 2018 will take place at Shanghai New International Expo Center, China. Concurrently with Asia's largest and most international trade fair for wire and tube industries – wire & Tube China, Fastener Shanghai –

Shanghai Fastener & Tech Show 2018 is designed to open up upstream and downstream channels to create a one-stop sourcing platform for fastener products, manufacturing equipment and raw materials.

Products to be showcased at this high-quality platform will mainly focus on the following categories: standard and non-standard fasteners, fasteners in various industries, manufacturing skills of fasteners, supporting facilities of fasteners.

In addition, Fastener Shanghai – Shanghai Fastener & Tech Show 2018 will also present special regional pavilions, such as Pinghu, Jiashan, etc. demonstrating their local industrial advantages.

The biennial Fastener Shanghai – Shanghai Fastener & Tech Show is set to be one of the most important gatherings in the fastener industry. It is estimated that 3 events (including Fastener Shanghai – Shanghai Fastener & Tech Show 2018, wire China 2018, Tube China 2018) will attract 46,000 professional visitors from 95 countries and regions. Whether you're here to source, find partners, or familiarize yourself with the Chinese fastener market; your expectations will surely be met at Fastener Shanghai – Shanghai Fastener & Tech Show 2018.

Torque-Expo Coventry (Oct. 03-04, 2018)

Fastener World Inc. Booth No. (to be announced soon!)
www.fastener-world.com.tw

Torque-Expo Coventry won't simply be a busy buying and selling venue for the fastener and tool industries this October, It will also be a key time and place for the industry to come together to network.

In fact, the networking opportunities have been ramped up for the fastener, tool and related industries show, with the return of the well-established Dinner Gala as well as the introduction of the brand new exhibitor networking drinks reception.

STANLEY, DeWalt, STAHLWILLE, Gedore Torque Tools, BAHCO and FEIN are among the big tools brands making their debut at Torque-Expo this year. Through them and many more tools

names, the show will present a greater mix of fastener, tool and related industries than ever before.

The change of venue for 2018 puts Torque-Expo Coventry in the heart of Britain, close to the core of the UK industry, ideally located and suited for hosting the show. With excellent access by road and within a two hour drive of 75% of England's population, the show will take place in a busy, vibrant and – for much of the industry – familiar venue which is perfect for buying and selling.

Torque-Expo Coventry is not just for UK wholesalers and brands to exhibit? We've already got a number of quality exhibitors from Europe and beyond, including Bralo, FAR Srl and FIXI Srl, among others.

Torque-Expo covers the distribution market for: Fasteners, Fixings and Adhesives, Hand and Power Tools, Hardware and Architectural Ironmongery, DIY Products, Locks and Security, Trade Displays and Shopfittings, Abrasives and Lubricants, Clothing, Safety and Janitorial, Consumables, Other associated products, IT and Support Services.

Connect to the fastener, tool and related industries with Torque-Expo Coventry, 3-4 October 2018, at the Ricoh Arena, Coventry.

China International Hardware Show (OCT. 10-12, 2018)

Fastener World Inc. Booth No. (to be announced soon!)

www.fastener-world.com.tw

China International Hardware Show organized by CNHA and Koelnmesse has reached over 150,000 square metres of exhibition space for the past three years and has without a doubt become the second

largest professional hardware trade show in the world. CIHS 2018 keeps its original intention of technique-oriented and market-driven concept while balancing the development of both international and local markets to establish the comprehensive platform for networking, communication and trade." Madam Shi Senglan, President of China National Hardware Association commented positively, "to unconditionally support the national China International Import Expo (CIIE), the exhibition date of CIHS 2018 will be adjusted to 10-12 October this year, which still falls within the best purchasing cycle.

According to the organizers, "We will further strengthen the fair with more value-added services and continue to make it more user-friendly. At the same time, we will enhance the event promotion and provide high quality service to fulfill the demands of the whole industrial supply chain. Together with our partners we will join hands to consolidate and promote the integration, development and innovation of CIHS to continue being, the vein and barometer of the industry."

The coming edition of CIHS will once again be the prime trade platform with high-quality service for exhibitors, visitors and the media, and set new benchmarks for the industry.

Fastener Poland (Oct. 16-18, 2018)

Preparations for Fastener Poland® have started! On 16th-18th October 2018 at the EXPO Krakow International Exhibition and Convention Centre, the exhibitors and visitors will have opportunity for the second time to present

their offer, target potential business partners, initiate cross-border contacts and long-lasting co-operations, exchange experiences.

The 1st edition of Fastener Poland Trade Fair, which took place on 28th-30th November 2017, fulfilled the expectations of even the most demanding visitors. Up to 68% of exhibitors were companies from foreign countries, including China, the Czech Republic, Denmark, Spain, the Netherlands, Germany, Slovakia, Slovenia, Taiwan, the UK, USA and Italy. The Fair had nearly 11 thousand visitors, 25% of whom were from foreign countries. Visitors represented such industries as metal processing, automotive, joinery, construction, furniture and others.

The 2nd Fastener Poland® Trade Show will be accompanied by interesting seminars, workshops and conferences, including the 2nd edition of the Fasteners Congress. Recruited from among top industry experts, speakers will discuss the latest solutions in the use and application of fasteners and specialist tools.

Taiwan Hardware Show (OCT. 17-19, 2018)

Fastener World Inc. Booth No. (to be announced soon!)

www.fastener-world.com.tw

Known for high-quality production of competitive-value hardware, 420 of Taiwan's top manufacturers will convene at the country's biggest hardware exhibition, the Taiwan Hardware Show (THS) this 17-19 October at the Taichung International

Exhibition Center. The convergence of OEM, ODM and OBM with different production niche at one venue will ease the process of finding new potential business partners for the 35,000 local and international customers that want to procure or have their products manufactured in Taiwan's largest hardware industries cluster region.

In focus at THS 2018 are the capabilities of Taiwanese manufacturers in catering to varying customers' requirements and meeting their thirst for innovation. Targeting the attention of visitors comprising major brand retailers, large chain distributors and importers of hardware goods, THS' exhibiting companies will showcase their ability to produce swiftly with high quality manufacturing, thereby allowing customers to sell fast and achieve optimum speed to market advantage. Presenting a broad selection of products across 8 categories, THS impresses upon the strong depth of Taiwan's hardware manufacturing industry and their product saleability across many global markets.

International Fastener Expo

(Oct. 31-Nov.01, 2018)

The 2018 International Fastener Expo (IFE) will take place October 30-November 1, 2018 at the Mandalay Bay Convention Center in Las Vegas, NV, USA. This year's event is expected to draw over 800 manufacturers and

5,000+ attendees from around the world. It is the largest and most diverse gathering of fastener and industrial professionals in North America and serves all reaches of the supply chain, from manufacturer to distributor to end user.

IFE announces that for the first time, the show will open its exhibit floor a half day early, Tuesday, October 30 from 1:00 – 4:00 pm for Preview Day followed by two full exhibit days on Day 2 and Day 3. Opening half a day early allows extra time for IFE's exhibitors to step away from their booth to network and meet with suppliers within Machinery & Tooling and SourceGlobal without it affecting their business when the show officially opens on Day 2.

On Preview Day, attendees and exhibitors will only have access to the Machinery & Tooling area and SourceGlobal, the show section devoted to international factories. At SourceGlobal, distributors and master distributors of fasteners and other related industry products (machinery, tooling, software, etc.) can explore new suppliers and products for their business. You can find more information about SourceGlobal at www.fastenershows.com.

For three days IFE is offering a comprehensive seminar track of sessions and workshops over the course of the show. There will be a full day of educational sessions on Day 1 and various 30 minute to an hour sessions on the show floor during the rest of the show. A full list of sessions and workshops will be available on IFE's website in July.
