

Fastener World Exhibitions Calendar in 1st Half 2019

2019上半年滙達展覽快訊 *arranged by Fastener World*

Istanbul Hardware Fair

土耳其伊斯坦堡國際五金暨手工工具展 **03/14-03/17**

Venue: Istanbul Expo Center

The 3rd edition of Istanbul Hardware Fair is going to take place on March 14 – 17, 2019 at the Istanbul Expo Center. Istanbul Hardware Fair is the only event specialized in hardware and tools in Turkey. The desire of Turkish hardware producers in increasing their quality, becoming a brand and getting acquainted with new markets and Voli Fuar's success in specialized fairs plays a major role in the enthusiasm of the sector in the fair. The producers, consumers, procurers, implementers, foreign and domestic representatives.... in short, all members of the sector come together, at the Istanbul Hardware Fair. The Istanbul Hardware Fair gives participants an unforgettable experience through informative presentations and activities, entertaining stand shows and live performances by participant companies. Exhibits include electrical hand tools, mechanical hand tools, safety products, abrasives, machines, etc.

The Fastener Fair Stuttgart exhibition profile covers all areas of the fastener and fixing industry: industrial fasteners and fixings, construction fixings, assembly and installation systems as well as fastener manufacturing technology. The show targets distributors, suppliers, engineers and other industry professionals and is therefore the meeting place for the whole industry.

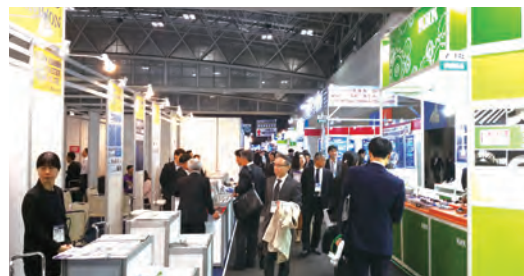

M-Tech Nagoya

日本名古屋機械要素技術展

04/17-04/19

Venue: Portmesse Nagoya

4th Manufacturing World Nagoya is a purely business to business trade show in Nagoya, specialising in the products, technologies and solution for manufacturing industry. All kinds of mechanical parts/subcontracting services (fasteners, springs, tube components, etc.), IT services (CAD, CAM, production management system, etc.), products/equipment for factory maintenance (factory facilities/equipment, energy saving products, etc.) and technologies/components for aerospace manufacturing (ultra-precision materials processing, mechanical parts, etc.) are exhibited under one roof. It is held in Nagoya which is one of the central areas of the Japanese manufacturing industry.

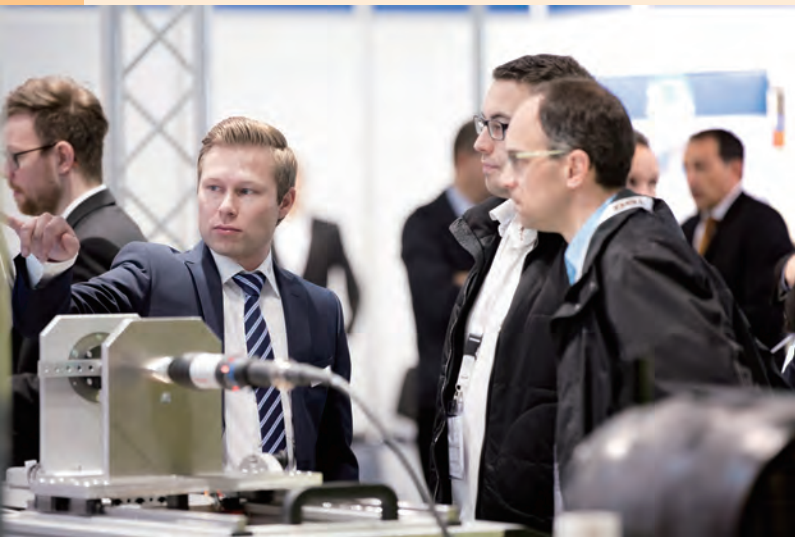

Fastener Fair Stuttgart

德國司徒加特螺絲展 **03/19-03/21**

Venue: Messe Stuttgart

台灣代理:滙達 (TEL: 06-2954000 / foreign@fastener-world.com.tw / 展覽部 陳怡婷小姐)

Fastener Fair Stuttgart 2019, the world's leading exhibition for the fastener and fixing industry, will take place from 19 – 21 March 2019 in halls 1, 3 and 5 at the Stuttgart Exhibition Grounds in Germany. Around 900 companies from 40 countries will be presenting the latest technological developments as well as conventional systems from all areas of the industry.

Fastener Fair India

印度孟買螺絲展 04/25-04/26

Venue: Bombay Exhibition Centre,
Mumbai

台灣代理: 滙達 (TEL: 06-2954000 / foreign@fastener-world.com.tw / 展覽部 陳怡婷小姐)

The 'Gateway to India', Mumbai, hosts the seventh edition of Fastener Fair India. High profile Indian and international companies will, once again, showcase a comprehensive range of industrial fasteners and fixings, assembly and installation systems, storage and logistics services, fastener manufacturing technology and construction fixings. The exhibition takes place from 25-26 April 2019 at the Bombay Exhibition Centre, in Mumbai.

In 2018, Fastener Fair India was held in the country's capital city, New Delhi and ended with positive results. Over 140 exhibiting companies were present at the two-day event, highlighting market innovations to a highly qualified audience of 3,316 (compared to the last edition of Fastener Fair India held in New Delhi, visitor numbers increased by over 30%). The majority of exhibitors were India-based companies. However, a lot of exhibitors were non-domestic, namely from China, Taiwan, Germany, South Korea, Japan and Turkey. Fastener Fair India 2019 provides excellent networking opportunities to all industry professionals, including distributors, suppliers and engineers.

Fastener Spring & Manufacturing Equipment Exhibition

中國寧波緊固件、彈簧及製造裝備展覽會

04/25-04/27

Venue: NICEC

Supported by the local government and associations, this show has been held for 15 consecutive years in Ningbo (China) and has been widely recognized by the industry. Its exhibits include: standard fasteners, automotive fasteners, stamped parts and machined parts, fastener materials, fastener molds & consumables, fastener equipment & technology, spring manufacturing technology & equipment, various spring inspection instruments & equipment, springs, bearings, etc.

Subcon Thailand

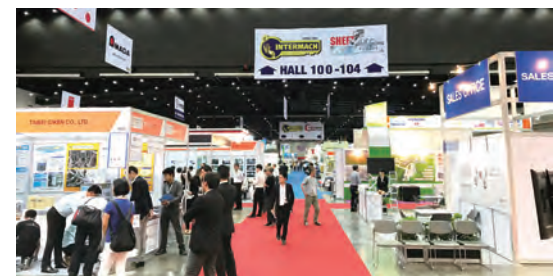

泰國國際工業零組件展 05/08-05/11

Venue: BITEC

SUBCON Thailand 2019 is the 13th edition of ASEAN's Leading Industrial Subcontracting and Business Matching Event. This is the only event jointly organized by the BOI Unit for Industrial Linkage Development (BUILD) from the Thailand Board of Investment, UBM Asia (Thailand) and the Thai Subcontracting Promotions Association.

The show is designed exclusively to present business opportunities for industrial part-makers and help them meet and negotiate business with major industrial part-buyers and manufacturers from Tier 1 and Tier 2 in the 5 new S-Curve industries. Also the entrepreneurs in supporting industries and those who seek to move into targeted industries to further enhance their business opportunities.

The 2019 show will showcase over 10,000 quality industrial components and parts from Thailand, ASEAN and Japanese part-manufacturers.

The International Fastener Manufacturing Exposition

美國亞特蘭大緊固件機械暨相關設備展 **05/14-05/16**

Venue: Georgia World Congress Center

台灣代理: 聯德國際 (TEL: 06-2930066 / sales@united-expos.com /黃瑜欣小姐)

The International Fastener Manufacturing Exposition (IFME) is set for May 14-16, 2019 at the Georgia World Congress Center in Atlanta. The three-day event is co-located with INTERWIRE 2019. IFME is a breed apart from many other fastener industry events in the USA.

Every attendee stepping into your booth will be actively involved in the design, development and manufacture of the full-range of industrial fasteners and precision formed parts—for every application. Simply stated, as a manufacturing show, IFME is not intended for distributors, resellers or end-users which means that as an exhibitor you will not have to spend valuable time and effort sorting out and determining who are the qualified prospects and potential customers for your products.

As a leading supplier to the North American fastener and precision formed parts manufacturing industry, IFME is a prime opportunity to meet your buyers and prospects—up-close and personal.

Fastener Fair USA

美國底特律螺絲展 **05/22-05/23**

Venue: COBO Center

台灣代理: 聯德國際 (TEL: 06-2930066 / sales@united-expos.com /黃瑜欣小姐)

Fastener Fair USA brings together manufacturers, distributors, suppliers, OEMs, and end users. It will be the meeting place for fastener professionals in 2019 for the chance to see the latest technology and solutions; unparalleled industry education for professionals of all levels and industries; a new bonding and adhesives pavilion; professional networking opportunities; and a convenient location in the heart of the Midwest manufacturing region.

Last year, 255 exhibitors from 20 countries showcased products, equipment, and solutions. Attendees can easily discover and connect with manufacturers of industrial fastener, fixing, and joining solutions, leading to collaborations to solve product design business challenges. No matter where someone is in the supply chain, they'll appreciate seeing the latest technologies, innovations, and solutions for their business all in one place.

Fastener Fair USA will offer a unique opportunity to get the latest industry information, forecasts, and technical education with keynotes and breakouts for all levels of experience, industry focus, and visitor segments.

International Fastener Show China

中國國際緊固件工業博覽會 **06/11-06/13**

Venue: SWEECC

台灣代理: 聯德國際 (TEL: 06-2930066 / sales@united-expos.com /黃瑜欣小姐)

International Fastener Show China 2019 is going to be given on June 11-13 at Shanghai World Expo Exhibition & Convention Center. Held on the exhibition space of around 42,000 sqm, the show is expected to draw at least 800+ exhibitors and 30,000 visitors from China and other countries in attendance. Exhibits include fasteners for various industrial

applications, standard fasteners, stamped parts & machined parts, fastener materials, fastener molds & consumables, fastener equipment & technology, fastener related service, etc. According to the organizer, the previous edition in 2018 drew 627 exhibitors and 25,637 visitors from 58 countries and regions in attendance.

Fastener Fair Mexico

墨西哥墨西哥市螺絲展 **06/19-06/20**

Venue: World Trade Centre, Mexico City

台灣代理: 滙達 (TEL: 06-2954000 / foreign@fastener-world.com.tw /展覽部 陳怡婷小姐)

Fastener Fair Mexico covers all areas of the fastener and fixing industry and provides real insight into industry trends and key information about the latest developments in this sector. The exhibition is the international platform for manufacturers, wholesalers, distributors and suppliers of fastener and fixing technology. Over 150 exhibitors from Belgium, China, Germany, Mexico, Taiwan, Turkey and United States, among others, exhibited in Fastener Fair Mexico 2018. At Fastener Fair Mexico, products and services from the following industry sectors will be presented:

- Industrial fasteners and fixings
- Construction fixings
- Assembly and installation systems
- Fastener manufacturing technology
- Storage, distribution, factory equipment
- Information, communication and services

Korea Metal Week

韓國工業大展 (韓國首爾金屬週) 06/19-06/21

Venue: KINTEX

On a total area of 21,546 square meters, Korea Metal Week 2019 will be held from June 19(Wed.) to 21(Fri.) at Hall 2~3, Exhibition Center 1, KINTEX in Goyang City, S. Korea.

In 2019, Korea Metal Week will exhibit more wide-ranging and gather more sellers & buyers by newly-launching Control, Measurement and Automation applicable to fastener industry.

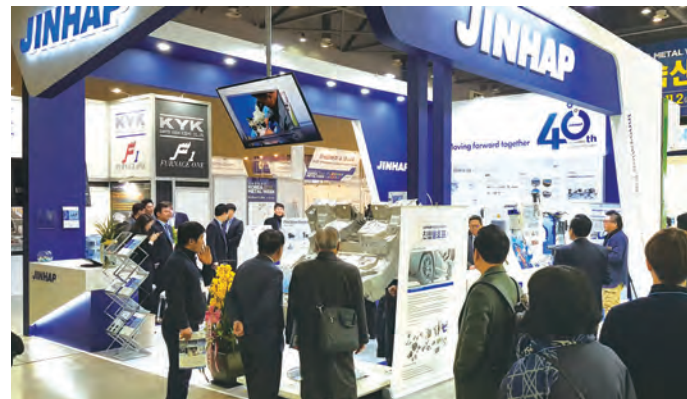

Fastener & Wire will be shown various exhibits as below.

- Bolt / Nut Products & Equipment
- Automobile Parts / Fastening Products & Subsidiary Materials
- Wire Production & Manufacturing

Also, it will concurrently be held with Press & Forging, Tools, Automobile & Machine Parts, Tube & Pipe, 3D Technology, Foundry & Die Casting, Fundamental Manufacturing Industry, Aluminum, Metal Surface Treatment & Painting, Laser & Welding, Pump Technology, Composite, Control, Measurement and Automation.

With subtitle 'Advanced & Convergence Technology', Korea Metal Week 2019 will invite experts of global automobile company such as Mercedes-Benz, BMW, Volkswagen, etc as keynote speakers. Also, through group invitation of their purchase department, the match-making service will be provided to the exhibitors for business meetings.

Although Korea is not a big market in Asia, Korea Metal Week is the best marketing place to see the trend of the latest technologies in relevant industries.

Fastener Expo Shanghai

中國上海緊固件專業展暨汽車緊固件展

06/26-06/28

Venue: National Exhibition & Convention Center (Shanghai)

台灣代理: 滙達 (TEL: 06-2954000 / foreign@fastener-world.com.tw / 展覽部 陳怡婷小姐)

On 26-28 June 2019 a vast number of the industry's leading companies will convene in Shanghai. Following the significant success of the recent 2018 exposition, which brought 633 exhibitors, 2019 sees a growth to over 700 exhibitors and 30,000 visitors. Occupying 60,000 sqm, next year promises an impressive display of products including non-standard pieces, fasteners for industrial applications, fastener manufacturing technology and equipment, mould and consumables for fasteners, raw materials, and even related support products and techniques.

The 10-year anniversary will also mark the expansion into a new type of fastener: ITE is proud to introduce building fasteners, an unique area never showcased before. The 2019 Exposition, hopes to provide an interactive and unique experience for all those involved; Face-to-face services will also be offered allowing visitors to be matched to exhibitors in advance and a variety of seminars and conferences will be available allowing visitors to further expand their understanding of the industry. □
