# Hardware + Components **Fastener** Suppliers Directory

2022 is not only a year full of challenges but also full of opportunities. With increasing costs of materials, manufacturing, freight, and so on that have put many companies into a difficult situation for months, you'll need a better approach to finding suitable suppliers who can help you save time and costs for purchasing and create your own competitive edge on the global market.

In Issue #53, we specifically selected nearly 100 suppliers of fasteners, hardware, hand tools, power tools, and related industrial components that have been approved industry-wide with capabilities to provide high-quality hardware, fastener components, and tools service.

*Just scan the QR Codes of the companies you are interested in and you'll get immediate access to these suppliers that can work with you to boost your sales this year.*

**Not enough yet?**

Go to "Fastener World Global Purchase Network" at <https://www.fastener-world.com/keyword.php> to customize your exclusive list of suppliers.
