

TFTA 2018 Annual Members Meeting &

Taiwan Fastener Trading Association ("TFTA") held the annual members meeting and directors & supervisors conference at Tainan Queena Plaza Hotel on December 07, 2018, attracting nearly 200 members. The agenda last year included two speeches, lots drawing and gala dinner.

Following the opening speech of TFTA Chairman Jimmy Chang (also president of Special Rivets Corp.), Dr. Ma from Kaohsiung Veterans General Hospital and TAITRA specialist gave their respective speeches on "Introduction to Cardiovascular Disease" and "The Impact of USA-China Trade War on Taiwan." This meeting not only provided all members and guests with a nice platform to get to know each other, but also offered an opportunity to listen to speeches lectured by industry well-known speakers on keeping good health and understanding current Taiwanese economic development.

The marketing and customers service team of Fastener World Magazine was also present to interact with industrial professionals in attendance, meet new and good old friends, presents Fastener World's new marketing packages for the industry, in order to increase the brand awareness and leading position in the market.

In addition, TFTA also arranged the annually held Chairman Cup golf games at Nan Yi Golf Country Club on December 06 with the participation of nearly 100 fastener professionals. During the games, former TFTA golf team leader Hsiang Wu officially passed his baton over to the new successor Arthur Chiang under the witness of TFTA Vice Chairman Josh Chen. TFTA golf team welcomes the joining of more members to show their golf skills and enhance friendship with each other. ■
