

# Excellence for Half a Century Sheh Fung Celebrates the 50<sup>th</sup> Anniversary

On March 10th (Friday), Sheh Fung Screws, the pioneer in the development of self-tapping screws in Taiwan, held a 60-table banquet at the Kaohsiung Marriott Hotel to announce the company's 50th year of operation.

The banquet was filled with a large number of distinguished guests. Sheh Fung President Terry Tu, General Manager Kent Chen, former President Chen and some key cadre members from the management raised their glasses on stage and shared with all the guests the joy that Sheh Fung has worked hard over the past 50 years to make a small factory in the north grow and develop into a well-known listed company today.

During the gala dinner, a documentary film about Sheh Fung was continuously played on the large screen, which counted many important moments in the development of Sheh Fung that were worth remembering and commemorating, allowing the guests to witness these important milestones. In the film, President Tu, General Manager Chen, former President Chen, etc. also remembered the contributions of the founder Lucky Tu and other predecessors who had overcome great difficulties. Lots of guests were also moved by the sincere and heartfelt tone of their voice.

"I currently serve as the president of Sheh Fung Screws, Sheh Kai Precision, and HYE Technology. Since Sheh Fung was founded 50 years ago, the company's development has continued to flourish, all of which are due to the efforts of every member of Sheh Fung," said President Tu.

“The ship-shaped buckets with the Chinese Characters of "Sheh Fung" on them at the entrance of the banquet symbolize the idea of selling screws all over the world, and also represent the spirit of cooperation that Sheh Fung has always insisted on. Thanks to the cooperation with our partners and all the staffs in the company, we are able to deliver the screws one by one to the customers abroad. Therefore, it is with a sense of gratitude that we celebrate the 50th anniversary of Sheh Fung,” said General Manager Kent Chen.

Sheh Fung Screws attaches great importance to the centripetal force of employees. In the gala dinner, a senior employee, who has served the company for 40 years, was specially recognized for her contribution to Sheh Fung. On the other hand, the company also generously donated NT\$7 million to the Sheh Fung Charity Foundation for the purpose of donating scholarships to schools and social charities, fulfilling the social responsibility of a successful enterprise of “taking from the society and using it for the society” and promoting the spirit of Sheh Fung.

With nearly 300 employees, Sheh Fung Screws is dedicated to the production and development of construction screws such as self-drilling screws, drywall screws, and timber construction screws. It has obtained ISO-9001, ISO-14001, CE and A2LA laboratory certification in the United States. It is not only the first screw factory in Taiwan to introduce the SAP system, but it also replicated the experience of its Taiwan factory at the end of last year to build Sheh Fung’s first overseas presence in Vietnam, which is expected to be in operation in the fourth quarter of this year.

President Tu also said, “I am quite looking forward to the Group's continuous efforts towards the goal of rapid revenue growth in the next five years.”
