ING-HWEI IMPLEMENTS MFG. CORP.

Ing-Hwei Implements Mfg. Corp. has been manufacturing specialized hand tools for over 26 years. Single-sided wrenches have been replaced by double-sided wrenches as the company's foremost products, due to the convenience of the latter. The tools from Ing-Hwei passed the German DIN certification process and are quite able to contend with those of prominent rivals. Half of the company's business goes to Europe, and the remaining half to Japan, the US, and Southeast Asia. Contact: Mr. An-Szu Chen (Andy)
